CONSULATE HEALTH CARE

OUR MISSION AND CORE VALUES

The Company's mission describes what we do every day. As Ambassadors of Care, we are committed to "Providing Service with Our Hearts and Hands." We have a tremendous responsibility to those who have entrusted us with their care or the care of a loved one.

Our success in achieving our Mission requires that our core values be applied not only to our residents and families, but just as importantly to one another and to the communities we serve.

OUR CORE VALUES

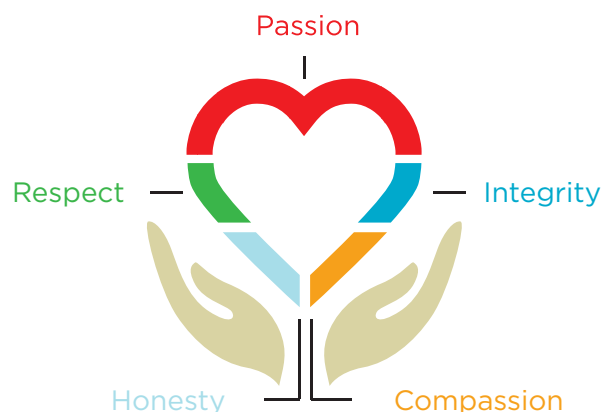

Compassion: Compassion is defined as "a deep awareness of the suffering of another and the desire to alleviate it."

Honesty: Honesty is defined as "the quality of being fair and truthful."

Respect: Respect is defined as "a high regard and esteem for others."

Integrity: Integrity is defined as "doing my job to the best of my ability even when no one is looking."

Passion: Passion is defined as "a strong enthusiasm for and devotion to our mission of "Providing Service with Our Hearts and Hands".

Executive Director Commitments

1. I conduct a daily operations “stand up” meeting.
2. I spend 50% of my day on the floor.
3. I invest in my top performing teammates and divest my weak performers
4. I review Clinical Indicators weekly. I am deeply engaged with my Director of Clinical Services and Medical Director.
5. I invest time with every resident and resident’s family. If something goes wrong, I am accountable to make it right.
6. I demand that my team delivers world class customer service to everyone who visits my care center. I follow the Consulate Health Care Customer Service Standards.
7. I dilligently manage my care center finances. Every day I review labor schedule and expense tracking, I live and breathe my P&L and review AR balances every month.
8. I take pride in my building’s physical plant and conduct detailed weekly reviews using Consulate Health Care processes.
9. I am accountable for all survey results. I will never fail a follow-up survey. I have a close relationship with my area survey office.
10. I own the Risk Management/ Quality Improvement process. I aspire to zero incidents. I will deliver the highest quality care.

Customer Service Expectations

1. The Consulate Health Care Team delivers customer service to everyone who visits the care center.
2. We live our Core Values — Compassion, Honesty, Integrity, Respect and Passion
3. Every resident and family is welcomed warmly by all teammates. Department Leaders provide information and education on care center services and expectations.
4. Residents & Families are provided phone numbers to contact the Executive Director and Department Leaders as needed.
5. Each resident has a Guardian Angel. Guardian Angels are accountable to their residents, work hard to resolve issues and exceed expectations.
6. A Care Review meeting occurs with the resident and family within 72 hours of admission, as needed throughout the resident's stay to review the care plan and progress towards goals and 72 hours prior to discharge.
7. Residents and Families are provided information on the Grievance Process on admission. All teammates know how to recognize a complaint and how to communicate this information to their Executive Director.
8. A responsible leader is on duty every shift 24/7.
9. Resident Council & Family Council is promoted and encouraged. The Executive Director is responsive to recommendations and issues from the councils.
10. Monthly Town Hall/Team Meetings are held on all shifts.
